From the Editor...

Abbreviated Newsletter this month. Please find enclosed some very nice letters of thanks. The Killlearn Lakes Plantation Kid's Fishing Contest is this coming April 27th. It's a terrific Float Fly location and I know the kids would love to have us back for the day. Let's get some folks out for this fun event!

Dear Fred:

Thank you so much for participating in Children's Day at the Museum of Florida History on Saturday, January 26, 2013. The Museum has sponsored this family oriented event for thirty years. More than 1,700 children and adults enjoyed a day of fun and entertainment with the theme of "Growing Up with Your Museum."

The Museum could not host Children's Day without the invaluable assistance of volunteers such as you. We appreciate your help in making the event a success, and hope you will join us for the 31st Children's Day at the Museum next year on Saturday, January 25, 2014.

Sincerely,

Anita DeCan

Dear Fred,

On behalf of my fellow Board Members and the residents of Killearn Lakes Plantation, I want to thank you for your past donations to the Annual Kids' Fishing Contest. Your generosity has helped offset the cost of this annual event which is generally supported by homeowners' dues. The Annual Kids' Fishing Contest is one of the most popular events staged by the Homeowners Association and your contributions have helped to ensure the continued success of this event. With your support, every year this event has grown bigger and better.

This year's fishing contest will be held at Lake Monkey Business on Saturday, April 27th. Once again I am asking you to open your heart (and your wallet) to help support the continued success of this very special event. All of us at the Killearn Lakes Homeowners Association are very appreciative of your past support and make every effort to ensure your actions do not go unnoticed by the 12,000 plus residents of Killearn Lakes. Each contributor will be recognized during the award ceremony at the conclusion of the Contest and again in the following "Lakes View" magazine, which is distributed to every homeowner in the neighborhood.

Again, thank you for your past support and I hope we can count on your generosity this year.

Sincerely,

*Mark Reichert, Chairman
Fish and Wildlife Committee
Killearn Lakes Homeowners Association*

[Club Calendar](#)- The schedule reflects current Club events planned for the year to date. Check monthly for additions and deletions at the meetings and in the newsletter. For regional, sanctioned AMA events, see your AMA magazine or visit the AMA website section "Calendars".

Chief Treasurer- Bill Ashbaker

We gained one new member in March, Michael Campbell. Please welcome him when you get the chance.

Twelve of our members have not renewed their club or AMA memberships. It appears that these people do not plan to continue to be club members and I will delete them from our club roster.

Another twelve of our members have renewed their AMA memberships, but have not renewed their club memberships as of March 31st. We assume that some of these twelve want to remain members. I will send reminders to these individuals.

It should be noted that we are now past the “grace period” allowed for annual dues payment specified in our club by-laws.
