Dues are due

Happy New Year! It is that time again when your club dues are due. See the website Home page for the amounts for different categories and instructions on how to pay. Dues must be paid by the January meeting in order to maintain flying status and the Treasurer reported that about 2/3 of the membership had renewed. So if you are reading this and your dues are not paid, then your club flying privileges are no longer valid. While you are at it, don't forget to pay your AMA dues!

Perry Swap Meet

Jeff Owens

Once again it is time for the Southeastern Model Show, a.k.a. the Perry Swap Meet. This year it will be held on February 28-March 1, 2025 at the usual site at the Georgia National Fairgrounds and Agricenter. I will be there hosting the Senior Pattern Association tables (M50-M52 in the McGill Building.) Frank Bastos, representing FMS, will be in the Miller Building again this year. He told me to mention that Perry pricing is in effect for all SRCC members all year and also that he has about 200 returned models that are available at attractive prices! So make plans to come to the Perry Swap meet or contact Frank directly. If you end up with buyer's remorse once you get home, you can always sell your stuff at our Opening Day event on March 15!!

Here I am with my Curare and SPA signs at the 2024 Swap Meet.

Here is the current version of the Club's 2025 calendar. This is also on the Events page on our website.
