The March Meeting that Wasn't

Well, the weather Gods didn't cooperate for our march Opening Day Event - it was cancelled. That means that the March Meeting that was to be held at the field that day also didn't take place. Hence, this will be a rather shortened version of the usual newsletter. But April will get us back on schedule for our meetings. Note that since we did not have a March meeting, this issue of the newsletter will have no Meeting News, but it does include the February Financial Report (not included in the Web version.)

April Fun Fly/Opening Day Event

As noted above, the March Opening Day event was scrubbed due to weather. Instead, the April Fun Fly will serve as our Opening Day event. The flyer below (compliments of Jim Ogorek) has all the details.
